Cholsey WI is part of the Didcot Area Group of the Oxfordshire Federation of Women's Institutes (OFWI). Group meetings are held twice a year and are an ideal opportunity to meet members of other local WI branches.

Sign up sheets are located on the information table in the main room during our meetings. This is your opportunity to order goods, reserve places at events, book trips or to offer help at events. If you wish to book trips advertised in News and Views please liaise with the Treasurer.

If you have any ideas for events, speakers, views or talents you wish to share please just chat to any member of the committee or contact them using your contact sheet. Your views are important
